Aviation Training Center

"We believe you can fly."

**Have what it takes to
become a
Flight Attendant !**

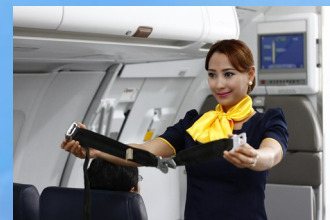

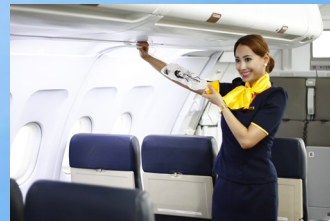

Safeskiess Aviation Training Center was established to produce the topnotch airline cabin crew to fulfill the demands of the ever-growing aviation industry. We teach and develop the skills needed to ensure inflight passenger safety and outstanding customer service. We offer a 30-day cabin crew course which follows the airline standards of cabin crew training.

Our instructors are best in their fields. Their extensive knowledge and years of experience help to inspire and mold our students to be the best they can be.

We strive to train well-rounded individuals by focusing not only on honing practical competencies, but also by instilling the core values necessary for them to perform well and excel in their future careers.

Working as cabin crew for a major airline is an exciting and challenging experience. In addition to jetting off to exotic destinations, the job also requires a high degree of responsibility and specialization to ensure the safety and comfort of passengers in line with the industry regulations.

"At Safeskiess, our students' dreams are ours, and we are one with them in making them come true..."
